QUOTE #M08-30-09**

The Alhambra School District is required by Arizona Revised Statute ARS 15-213 to comply with Title 41, Arizona Procurement Code. This Code requires us to solicit quotations for purchases being made over \$4,999.99 for any fiscal year.

In order to comply with the above ruling, the district requests that you supply a list of product lines, and/or services (a line card may be used) indicating the price schedule for each line and/or service, a current price list/catalog to support the price schedule, or percentage of discount that you will extend to the Alhambra School District from January 1, 2009 through December 31, 2009. A list of the most commonly purchased items is attached; however, purchases may not be limited to this list.

Please respond by December 11, 2008, 9:00 a.m. All quotes not received by the due time and date will be returned. Please mark on the outside of the envelope "Written Quote for Paint and Paint Sundries, Quote #M08-30-09".

Multi-Vendor Award. The district reserves the right to make a multiple-vendor award to more than one supplier.

Form of Contract. Form of contract will be properly executed purchase orders that will be issued as the need arises during the contract period.
