

Get to know us!

We are Alhambra Elementary School District's Child Nutrition Department located in sunny Phoenix, AZ. Our mission is to educate, serve, and celebrate the foods of our community. Friend and follow us on Instagram and Facebook to see everything our amazing team is up to!

Our meal programs:

We participate in the following meal programs:

1. School Breakfast Program - Breakfast in the Classroom (BIC)
2. National School Lunch Program
3. At-Risk Snack
4. At-Risk Supper

We are excited about:

Our new bakery! We are currently baking our own cookies and muffins. The plan is to expand to dinner rolls and more!

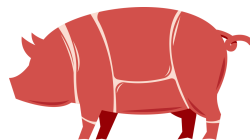

We do not serve products that contain:

Fish (finned)

Peanuts

Pork

Shellfish

Tree Nuts

We prefer products that:

- Are locally produced
- Compliment scratch cooking and speed scratch recipes
- Contain whole grains (i.e., we serve brown rice, not white rice)
- Contain minimal ingredients
- Follow Life Time Foundation's Ingredient Guide
 - We avoid products that contain ingredients on the "Unwanted List" and we are cautious about serving ingredients that are on the "Watch List"
