

Parent Reminders

Alhambra Elementary School District has a no charge lunch policy. Students who do not have enough money to cover the **complete** cost of the lunch will be given an alternate meal that consists of a peanut butter sandwich on whole wheat bread, carrot and celery sticks, a cheese stick, an apple, and a carton of milk. Please be advised that the cafeteria will verbally remind students at the point of sale when they have a low balance. These practices will start when there is approximately 3 days' worth of lunches left on the account. Additionally the household will be provided low balance alerts in writing provided to the student, unless you chose to receive emails through the online Titan Family Portal <https://family.titank12.com/6TR85Q>. The cost of the alternative meal or the amount due will be deducted from the next deposit to your child's account.

Students are to safeguard their pin number, as individual pins are issued to each student and must not be used by any other student under Federal Regulation.

In each case of a stolen or misused pin number, the parent/guardian will be required to meet with the cafeteria manager to assist in resolving the problem.

During student meal service, no outside food service (e.g., McDonald's, Burger King, Taco Bell, etc.; packaged snacks such as hot Cheetos, etc.) are allowed in the cafeteria. Sack lunches are permitted. Milk can be purchased to go with sack lunches for \$.25 cash. Fruit juice is encouraged for sack lunches if the student is not buying milk.

Soda pop or other carbonated drinks are not allowed with either school meals or sack lunches.

Payment Methods for Meals

There are several ways to pay for your child's meals. Parents may send money with their child in the form of cash, check (\$20.00 returned check fee) or money order to be paid directly to the cafeteria. Payment may also be made online at <https://family.titank12.com/6TR85Q> using Visa, MasterCard or Discover (a transaction fee of \$2.60 will be applied to online payments). Parents/guardians may contact the school cafeteria at any time during business hours or use <https://family.titank12.com/6TR85Q> **free** of charge 24 hours per day to check the balance of your child's account and/or to view daily meal transactions. You may also set up a free email reminder for low balances online; the website will work with any mobile device web browser as well.
