Culture through policy implementation (0301)

The school secures access to an IB education for the broadest possible range of students. (0301-01)

1.1: The school implements and reviews an access and/or admissions policy that clearly describes the conditions for participation in the school's program.

1.2: The school provides relevant support materials, resources, and structures to promote access to the school's program for as many students as reasonable.

1.3: The school provides opportunities to access the program for the broadest possible range of students

The school monitors and evaluates its efforts to provide students with equal opportunities to the IB PYP and MYP programs at GAP.

Introduction

Global Academy of Phoenix (GAP), an authorized IB World school, offers the PYP and MYP programs with universal participation. Students at GAP are automatically included in the IB programs upon enrollment. GAP's philosophy, mission, and vision ensures a commitment to student success for all through engaging, challenging educational programs.

Global Academy of Phoenix believes that a universal participation policy helps to create a strong sense of community within the school. By having all students participate in the same programs, regardless of academic background, students are more likely to feel a sense of belonging and shared purpose.

Global Academy of Phoenix provides a variety of support for students who are not academically prepared for the rigors of the IB programs. Using the GAP inclusion policy as a guide, we ensure equal access to the PYP and MYP programs and all they have to offer.

Open Enrollment

Global Academy of Phoenix is a choice school in the Alhambra Elementary School District. This means that we do not have an established boundary or zone as a neighborhood school. GAP requires no

admissions assessments. We communicate to all families who choose to enroll at GAP that we expect students to be eager and motivated learners who strive for principled behavior, academic success, and excellent attendance. Students who do not meet these expectations will receive support, and families are expected to be active participants in our systems of support.

Transportation

Global Academy of Phoenix strives to provide access to the quality education the PYP and MYP programs offer. Therefore, Alhambra Elementary School District provides bussing for students who live beyond walking distance from campus and within the boundaries of our transportation capacity. In addition to providing access to academic instruction, and to support our students' balance and well-being, we also offer transportation services for students who choose to stay for extra-curricular activities
