

We get you where you need to go!

Riding Valley Metro is easy...

1. Plan your trip online at valleymetro.org or Google transit, call us at 602.253.5000 or use the transit book.
2. Buy your fare at one of the many retail outlets, rail fare vending machines or online at valleymetro.org/where-to-buy. A one ride reduced fare on bus or rail is \$1. A 1-Day Pass is \$2 for unlimited rides on bus and rail that day.

Ride Bus Right

- Get to your bus stop 5 minutes early and have your fare ready. Check the destination sign as the bus approaches and give the driver a wave. Wear a face mask to protect yourself and others. Face coverings are required on Valley Metro vehicles.
- Currently you will board through the back door and show the driver your fare. Take a seat and keep a safe distance from others.
- Watch and listen for your stop. Signal the operator that you would like the next stop by pulling the cord or pushing the button or strip around the window.
- Exit the bus through the back door.

Ride Rail Right

- Get to the light rail station 5 minutes before the train is expected and buy or activate your fare. Make sure of the direction you are traveling and choose the right train to board. Wear a face mask to protect yourself and others. Face coverings are required on Valley Metro vehicles.
- Board through the closest door and take a seat or stand and hold on. Keep a safe distance from others.
- The train will stop at each station. Watch and listen for your station and exit through the closest door.

Respect the Ride

- Beverages are allowed in spill-proof containers but please no eating on the vehicles.
- Bikes are allowed on the vehicles. There are racks in front of the buses and inside the train.
- Service animals are welcome and pets must be in secured containers.
- Rollerblades and skateboards must be carried on the light rail vehicles and platforms.
