

# UnitedHealthcare's Value Pharmacy Network

## Pharmacies close to where you live and work

The Value Pharmacy Network lets you fill prescriptions at thousands of retail pharmacies nationwide. That way you are assured of finding a pharmacy close to home or work.

The Value Pharmacy Network has more than 35,000 participating pharmacies across the United States. Major drug stores, mass retailers and supermarkets make up a large part of the Value Network. There is a good chance you already shop at these locations. Here are a few of the popular pharmacy chains in the network:

- Major drug stores including Walgreens, Rite Aid, Duane Reade and The Medicine Shoppe
- Mass retailers including Walmart
- Supermarkets including Kroger and Ralphs

### Easy to find a pharmacy near you

You have three ways to quickly and easily find a nearby Value Network pharmacy:

-  Use the online **Locate a Pharmacy** tool at **myuhc.com**<sup>®</sup>
-  Contact Customer Service by calling the toll-free number on the back of your health plan ID card
-  Download the Health4Me App to search on your smartphone or tablet

### Medication home delivery

For added convenience, you can receive three-month supplies of your medications through OptumRx<sup>®</sup> home delivery. It's safe and secure, and standard shipping is free to all U.S. addresses. Plus, licensed pharmacists are on call around the clock to answer your medication questions.

## More about UnitedHealthcare's Value Pharmacy Network

What major pharmacies are in the Value Pharmacy Network?

Major chains include Walgreens, Rite Aid and Walmart.

What happens if I try to fill a prescription at a non-network pharmacy?

Non-network claims will be denied, and you may have to pay the full retail price for your medication. To take advantage of your pharmacy benefit, transfer your prescriptions to a participating Value Network pharmacy.

How do I transfer my prescriptions to a Value Network pharmacy?

Transferring prescriptions to a Value Network pharmacy is easy. Simply provide your prescription bottle or prescription information to your new pharmacy. They will transfer any remaining refills on the current prescription or get a new prescription from your doctor.

### Locate pharmacies in the Value Pharmacy Network

You can easily find a participating Value Network pharmacy by:

-  Using the online **Locate a Pharmacy** tool at **myuhc.com**<sup>®</sup>
-  Contacting Customer Service by calling the toll-free number on the back of your health plan ID card
-  Downloading the Health4Me App to search on your smartphone or tablet
