

ALHAMBRA

ELEMENTARY SCHOOL DISTRICT

**Support our Students & Earn a Tax Credit
Give Now...Get it ALL Back!**

Reduce Your State Tax Bill!

A tax credit is a dollar-for-dollar reduction in the actual tax amount owed. All Arizona Taxpayers are eligible to take advantage of this tax credit regardless of whether or not they have children in school. A married couple filing jointly may contribute and receive a tax credit for a maximum of \$400. A single individual may contribute up to \$200.

Taxpayers have until April 15 to contribute for the previous tax year. You can even donate online the day you file your taxes. An instant receipt will be provided for tax purposes. Your support is a win-win for you as a taxpayer and for Alhambra's students!

The Alhambra School District is located in West Central Phoenix, and serves more than 11,000 students in preschool through eighth grades. Children from 57 different countries attend the 16 schools and preschool in the district. Nearly 95% of the students in the district qualify for federally subsidized free or reduced-price food services, a nationally recognized poverty indicator. Our students consistently overcome insurmountable odds to achieve their goals.

Your Tax Credit directly benefits Alhambra Students!

With your help, Alhambra is able to offer tutoring, band, music, art, recreational activities, field trips, STEAM experiences and much more. Extracurricular activities help children develop qualities such as leadership, team play, and cooperation, as well as provide safe, supervised activities after school hours. These activities also provide an opportunity to experience success! Our after-school STEAM clubs are consistently recognized with national awards. Your contribution inspires innovation!
